

Bruce's Lucky Deal

**EVERY
GAME
CARD
CAN
WIN!**

HOW IT WORKS

Bruce's Lucky Deal

WHAT IS IT?

A simple scratch card game with a unique difference. 'Bruce's Lucky Deal' is the first promotion to offer motorists the chance that 'EVERY GAME CARD CAN WIN'.

The promotion is based on playing cards and the motorist is required to scratch off 4 cards only in each hand, revealing a total of 8 cards.

Every game piece contains one winning combination.

EITHER:

PICTURE CARD GAME

If all 8 revealed cards (4 per hand) are picture card symbols, (Jacks, Queens, Kings, Aces) in any mixture, (including identical cards), or positions or suits – the player wins a share in one of the eight £15,000 shareouts.

OR

MATCHING SUIT GAME

If all 8 revealed cards (4 per hand) are the same suit, that is all ♠ (spades),

all ♥ (hearts), all ♦ (diamonds) or all ♣ (clubs), the player wins:

All ♠ (spades) – **£10,000** All ♥ (hearts) – **£100**.

All ♦ (diamonds) or all ♣ (clubs) – a sealed pack of Shell playing cards,

which could contain a hidden **£50** cash bonus prize card instead of one of the 3 Jokers. Playing card winners should check the contents immediately to discover if 1 Joker has been substituted by a £50 bonus prize card on which claim instructions are printed.

Remember, there's a new **£15,000** Jackpot to be shared out every 2 weeks – eight in total, running right through to December. Altogether there are cash prizes and packs of playing cards worth over £500,000 to be won.

Legal Obligations

Giving out Game Pieces

You must give out one game piece to the driver, aged 18 or over, of a motor vehicle (including motorcycles) – one per driver, per day.

There is no purchase qualification – this is a legal requirement and must be complied with at all times.

The success of any promotion of this kind depends entirely on the game pieces and their correct distribution. Withholding game pieces from motorists can seriously damage the promotion.

Equally, giving out more than one game piece per driver can end the promotion prematurely. Please make sure your staff understand the importance of this and obey the rules.

Full Rules

The reverse side of the game piece contains abridged rules only. Two copies of the full rules are in each box of game pieces, and must be displayed in a prominent position where motorists can read them at any time during the promotion.

To ensure the promotion runs smoothly on your site, please make sure you and your staff acquaint yourselves with the full rules.

Eligibility

As in previous promotions all employees of Shell, its agencies and suppliers for this promotion and you, your staff and families are not eligible to participate in this promotion.

PRIZE REDEMPTION

The only prizes that you, the retailer, are required to redeem are the minor prizes, namely the specially sealed packs of playing cards. Even the £50 bonus prize cards must be claimed by the motorist, via the address on the back of the prize card.

Please note that all packs of playing cards must be handed to the motorist with the special seals intact.

TAMPERING DISQUALIFIES.

Stock Control – Game Pieces

To assist you and your staff to carry out efficient stock checks on game pieces, each box will contain 3,000 game pieces and these will be loose in the box.

Two copies of the full rules are included in each box of game pieces.

When a motorist's card reveals all **♦** (Diamonds) or all **♣** (Clubs) you should:

- Check that this really is the case.
- Check that only four cards have been rubbed in each hand.
- Give the winner a pack of playing cards with the seals intact.
- Make sure the site's name and address, and your own initials are filled in on the white area at the bottom of the scratchcard, at the back.

Send all the winning cards in the envelopes provided by your Shell Representative to:

Miss Angela McDermott,
Game Co-Ordinator,
Retail Department,
Irish Shell Ltd.,
20/22 Lr. Hatch Street,
Dublin 2.
